

El Gran Bajío

We are a company at the service of your company.

If you like investing in the real estate sector, you are in good hands. We have been developing industrial, business and logistics parks for **20 years**. As well as commercial, residential and hotel centers.

We are a company from Querétaro with projects in the Bajío region.

Our headquarters are in the city of Querétaro. We develop real estate investment projects, both industrial, residential and commercial.

We seek to generate value and trust for our partners, investors and clients.

We guarantee you:

- To be the comprehensive solution for work spaces.
- Reliability and legal certainty.
- Guarantee of capital gains to investors.
- Innovation and service for SMEs.
- Construction and urbanization quality.

Construction of Industrial Warehouses

In 2019, we consolidated a team with the best engineers, architects and suppliers in the construction of industrial warehouses. Since then, we have built ships of all types.

Ships with traveling cranes, two levels, mezzanine, loading platforms, and all with the best certified materials.

Projects for Sale

Our real estate investment portfolio includes macro lots, industrial and commercial lots, residential and logistics properties.

Alterra Warranty

Construction of industrial warehouses with the best certified **MATERIALS ASSURING YOU QUALITY.**

We will carry out laboratory tests to guarantee the highest quality and resistance standards for your ship.
